Two Program Options:

- ✚ Weekly Classes Only
- ✚ Weekly Classes with half-hour monthly private lesson

With both of our class options, the **Weekly Classes Only** option, and the **Weekly Classes with half-hour monthly private lesson option**, students will participate in the same classes and have the same class learning experience. The only difference is that the **Weekly Classes with half-hour monthly private lesson** students will also receive a monthly private lesson with one of our expert instructors.

Details:

Weekly Classes*: Small, fun classes are taught by instructors who are skilled in teaching guitar classes, creating a great learning environment where students can learn and grow with people of their own level and interests. Each class has a maximum size of 3 students. Kids classes are 30 minutes long and Teen/Adult classes are 45 minutes long*. Classes are guaranteed a minimum of 4 classes per month. *Please see asterisk (*) below for when a class has only one student in it.*

One monthly 30 minute private lesson* (available only to those who participate in our **Weekly Classes with half-hour monthly private lesson** option). These monthly private lessons are great opportunities for students to receive extra instruction on what they've been learning in classes and to also work on individual material that the student wants to work on outside of class to help them achieve their own musical goals. These will be held once a month on a regular basis (e.g. 2nd Tuesday of every month at 2 PM). These monthly private lessons are flexible and can be changed if given a 24 hour notice.

Student Workbook: Each student receives their own student handbook complete with in-class materials

Separate Classes for Acoustic Guitar, Electric Guitar and Ukulele are available in the following three levels: Beginner, Intermediate and Advanced. Classes are further separated between kids and teens/adults. Kids classes are age 12 and below. We will always attempt to group students together who share the same interests.

Monthly Tuition Rates**:

- **Kids Ukulele Classes***: \$125 - \$145 (\$140 - \$160 without AutoPay**)
- **Kids Ukulele Classes with monthly private lesson***: \$140 - \$160 (\$155 - \$175 without AutoPay**)
- **Teen/Adult Ukulele Classes***: \$130 - \$150 (\$145 - \$165 without AutoPay**)
- **Teen/Adult Ukulele Classes with monthly private lesson***: \$145 - \$165 (\$160 - \$180 without AutoPay**)

- **Kids Guitar Classes*: \$145 - \$165** (\$160 - \$180 without AutoPay**)
- **Kids Guitar Classes with monthly private lesson*: \$160 - \$180** (\$175 - \$195 without AutoPay**)
- **Teen/Adult Guitar Classes*: \$150 - \$170** (\$165 - \$185 without AutoPay**)
- **Teen/Adult Guitar Classes with monthly private lesson*: \$165 - \$185** (\$180 - \$200 without AutoPay**)

* **When a class has only one student in it**, the monthly class rate will temporarily increase \$20 until another student joins the class. During this time, Teen and Adult classes will be shortened to 30 minutes as the student will essentially be receiving a private lesson. Once another student joins the class, tuition will then resume to the normal class rate and the Teen and Adult class length will return to 45 minute classes. Compared to our private lesson program rate, the temporary class rate increase is a great cost benefit.

** **Tuition amounts listed are for those who sign up for automated monthly payments.** A \$15 processing fee is charged for checks and manual PayPal payments. Payments are due on the first of the month. Checks received after the 10th of the month incur an additional \$10 late fee. Cash not accepted.
